ALISO NIGUEL GIRLS BASKETBALL ADVERTISEMENTS / SPONSORSHIPS

Aliso Niguel Girls’ Basketball is a program driven by excellence. Our mission is to teach purposeful life skills, a competitive culture, and build high character young women for life after basketball.

Our program must raise money each year for equipment, player gear, uniforms, tournament fees, travel, awards, off-season play, coach stipends, and various team events that make our program special. We work hard to raise money through ongoing fundraising, yet we still come up short. As a result, we are seeking individuals and businesses who would like to sponsor and advertise through our program.

All donations are tax deductible. Advertisements can display the artwork of your choice, or a simple wish of luck to any of our teams, players, or program.
